BENCOR RETIREMENT PLAN

A. The Special Pay Plan computes terminal pay for the employee. The employer contributes those amounts to a special account.

1. The contribution occurs during DROP and at termination of the employee.
2. The contribution includes sick leave, annual leave, and bonuses.
3. The contribution to the special account is not subject to FICA taxes.

B. Participation is mandatory and non-elective for the class of employees the plan is adopted for.

1. Maximum contribution is per IRS Guidelines for a 401A and a 403 B Plan. Currently this amount is 50% of gross compensation up to a maximum of \$80,000 dollars.
2. Gross compensation equals plan year compensation plus "special pay".

C. The contribution to the special account may be withdrawn by the employee from the account immediately (within one to two weeks) upon request or may leave their funds invested in the plan.

1. Withdrawals are subject to Federal Income Tax.
2. Withdrawals are subject to an early withdrawal IRS penalty of 10% if withdrawn before age 55.
3. There will be a stop loss provision to offset the IRS 10% penalty by the School Board. (If the funds are withdrawn within the first 60 days from the date of the School Board's payment of benefits to the plan administrator.)
 - (a) The stop loss will equal the difference between the 10 percent penalty and the FICA rate (the rate the employee would be subject to if the plan were not in effect) in the amount of 2.35%.
4. Contributions will be placed in a fixed income account.
5. Employees may manage their own investment plan.

D. It is understood the HCSB will save FICA taxes for every teacher in Holmes County who retires under the Bencor Plan.

1. These FICA savings will be directed into the General Fund and will be earmarked for terminal pay expenses.
2. By June 30 of each school year the HCTA Bargaining team will receive a printout of the total amount of dollars returned to the General Fund.
