## Create a Teacher Newsela Account

### Integration: Google Classroom

1. Go to [www.newsela.com](http://www.newsela.com).

2. Click the **Sign In** button in the top right corner.

3. Click Sign in with **Google**.

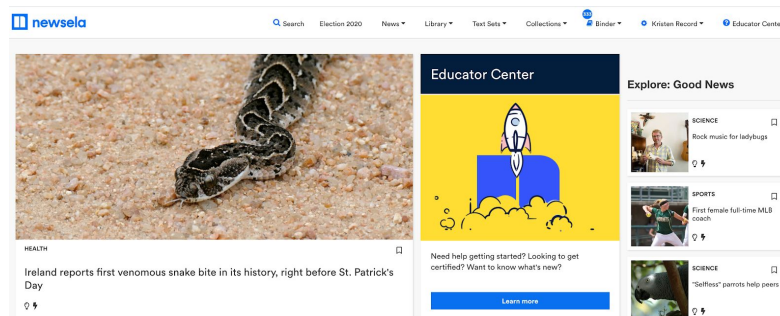

4. Sign in with your school's **Google** email.

5. Choose your school.

6. Continue to follow the prompts till you return to the **Newsela homepage**.

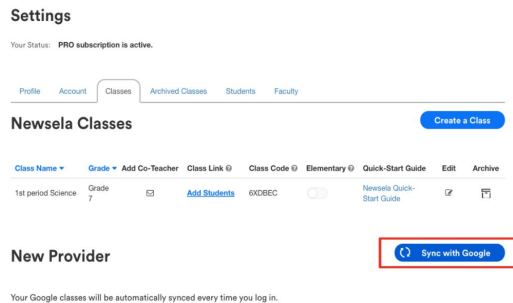

## Create Classes on Newsela

1. Click on your name in the top right corner.
2. Click on the **Classes** tab.

### Settings

3. Click **Sync with Google**.

4. Choose the classes on Google Classroom that you want to sync with Newsela.

5. Choose the **Grade** as the current grade level of your students (i.e. if it is a sixth grade class, choose 6). If it is a class with multiple grades, choose the lowest grade level (i.e. in a class of freshmen and sophomores, choose 9).

Click **Sync Selected Classes** when complete.

The **Elementary filter** will automatically toggle on for Grades 2-5. This excludes mature content from student Search. You can **re-sync** with Google Classroom by following these steps anytime students join your Google Classroom or you want to add a co-teacher.

## Search for and Find Articles on Newsela

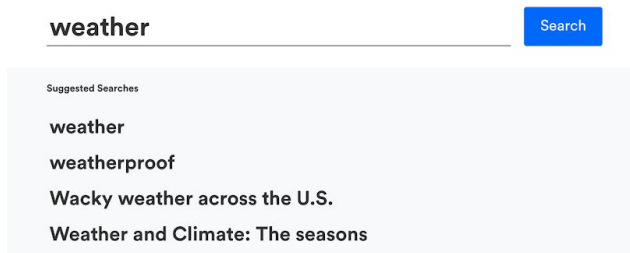

1. One way to find articles on Newsela is to click on the Library or the News sections at the top of the page. **News** has current events in topics like Health, Money, and Kids. **Library** has subject-specific articles in areas like US History, Science & Math, Arts & Culture, and Opinion articles.

2. Click on **Search** to search for specific content.

3. Type in your Search terms.  
Search is best with 1-4 words.

Then, click **Search**.

4. Review articles that you like from your Search. Click on the bookmark to **Save** any articles for later. All Saved articles show up under **Your Content**.

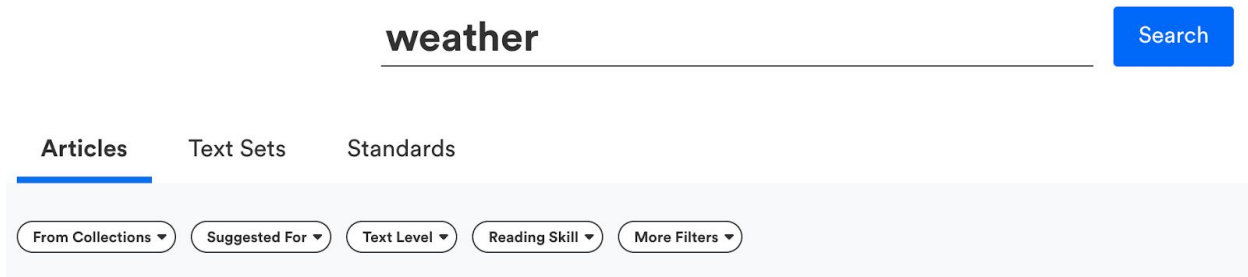

5. Click into any article to read and assign to students.

## Using Search Filters on Newsela

There are many Search filters you (and students) can use to find specific articles on Newsela.

Some appear just above articles you have searched for.

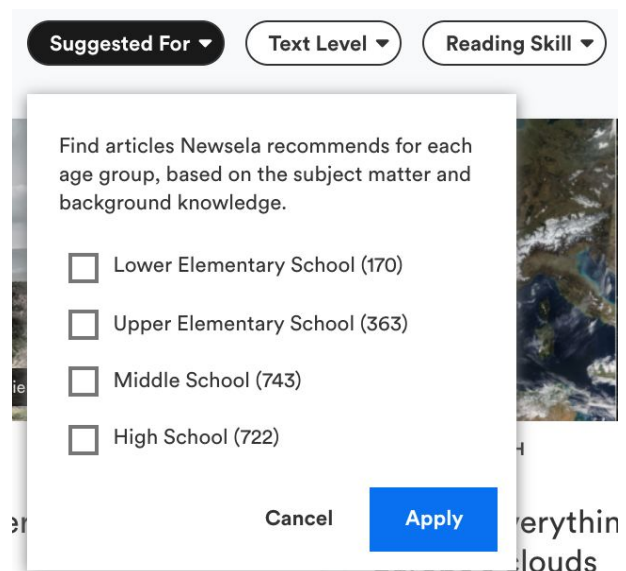

Click on each filter to see filter options. Select one (or multiple) option. Click **Apply** and see articles that meet your criteria.

The number in parentheses is the amount of articles available with that filter.

To see more filters, click **More Filters**. You can use more than one filter at once.

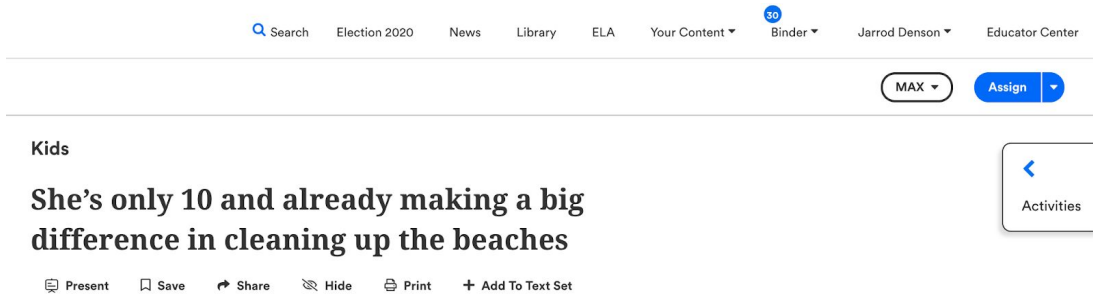

Filter Options:

- **Suggested For:** Intended student audience
- **Text Level:** Article offered at that exact grade level
- **Reading Skill:** Quizzes with questions on a specific Reading Skill
- **More Filters:** **Language** (English / Spanish), **Format** (Essay / Primary Source / Profiles / Reference), **Content Provider**

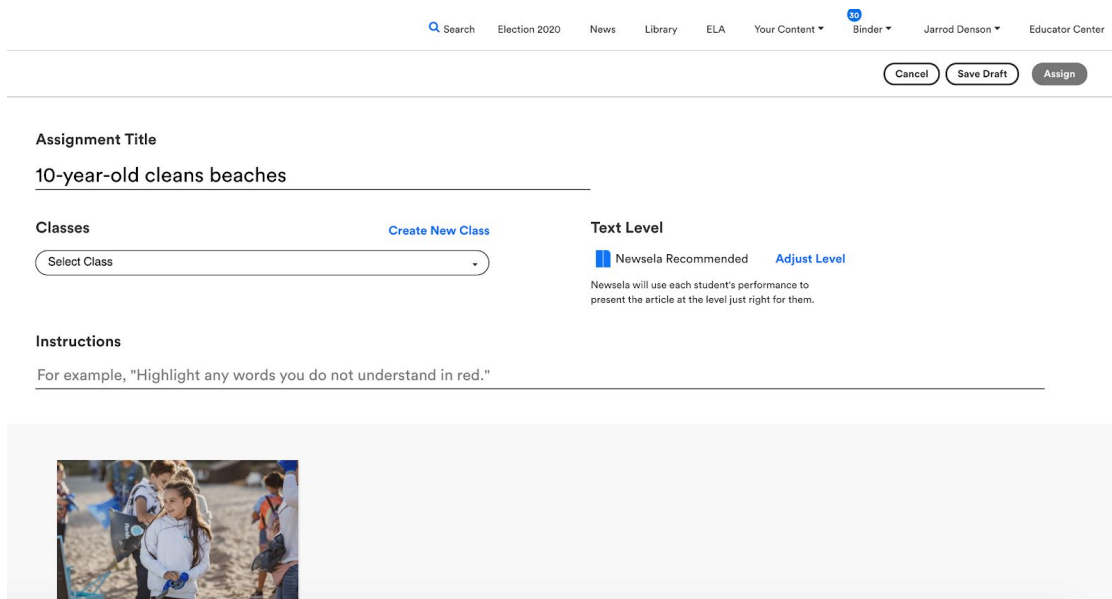

## Assign an Article

1. Click into the article you are assigning. Click **Assign** in the top right corner.

The screenshot shows the top navigation bar with 'Search', 'Election 2020', 'News', 'Library', 'ELA', 'Your Content', 'Binder' (with a '30' notification), 'Jarrod Denson', and 'Educator Center'. Below the navigation is a 'MAX' dropdown and an 'Assign' button. The article title is 'She's only 10 and already making a big difference in cleaning up the beaches'. Below the title are icons for 'Present', 'Save', 'Share', 'Hide', 'Print', and 'Add To Text Set'. On the right, there is a 'Kids' label and an 'Activities' button with a left arrow.

2. You will see a page that looks like this:

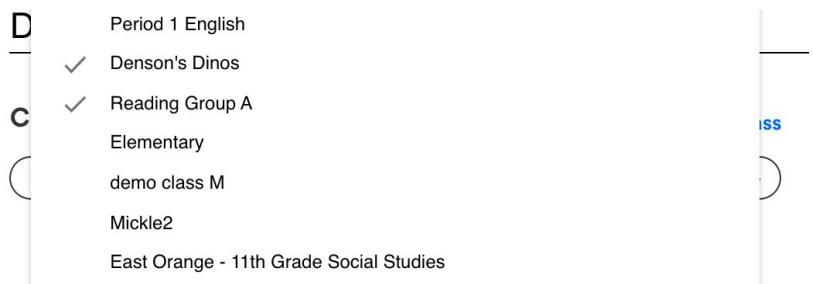

The screenshot shows the assignment configuration page. At the top, there is a navigation bar similar to the previous screenshot. Below it are three buttons: 'Cancel', 'Save Draft', and 'Assign'. The 'Assignment Title' field contains '10-year-old cleans beaches'. There are two sections: 'Classes' with a 'Select Class' dropdown and a 'Create New Class' link, and 'Text Level' with a 'Newsela Recommended' indicator and an 'Adjust Level' link. Below these is an 'Instructions' field with the text: 'For example, "Highlight any words you do not understand in red."'.

3. *Optional:* Change the title of the assignment to include a due date.

Assignment Title  
Due 3/31: 10-year-old cleans beaches

4. Click which class(es) you want to assign to. You will see a checkmark next to classes that you select.

The screenshot shows a dropdown menu for selecting classes. The menu items are: 'Period 1 English', 'Denson's Dinos' (with a checkmark), 'Reading Group A' (with a checkmark), 'Elementary', 'demo class M', 'Mickle2', and 'East Orange - 11th Grade Social Studies'. The dropdown is partially open, showing the top half of the items.

- Determine if you want to assign the article to students at their Newsela Recommended level or one locked level.

A student's Newsela Recommended level is determined by their responses to Quiz questions and adapts over time. If you lock the level, all students will see the article at one level until they take the Quiz.

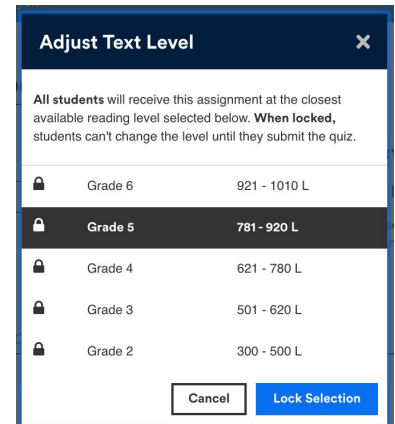

To keep at Newsela Recommended, no need to click. This is the default.

### Text Level

 Newsela Recommended [Adjust Level](#)

Newsela will use each student's performance to present the article at the level just right for them.

To lock at one level, click **Adjust Level**. Then, click the level at which you want to lock the article and click **Lock Selection**.

The dialog box titled "Adjust Text Level" contains the following text and table:

All students will receive this assignment at the closest available reading level selected below. **When locked**, students can't change the level until they submit the quiz.

	Grade 6	921 - 1010 L
	<b>Grade 5</b>	<b>781 - 920 L</b>
	Grade 4	621 - 780 L
	Grade 3	501 - 620 L
	Grade 2	300 - 500 L

Buttons:

- Finally, add **Instructions**.

### Instructions

1. Read the article and highlight the main idea of each section in GREEN.
2. Complete the Quiz.
3. Complete the Write Prompt.

- To assign the article immediately to students, click **Assign**. To save your work and return to assign later, click **Save Draft**. All assignments are in the **Assignments** tab of the **Binder**.

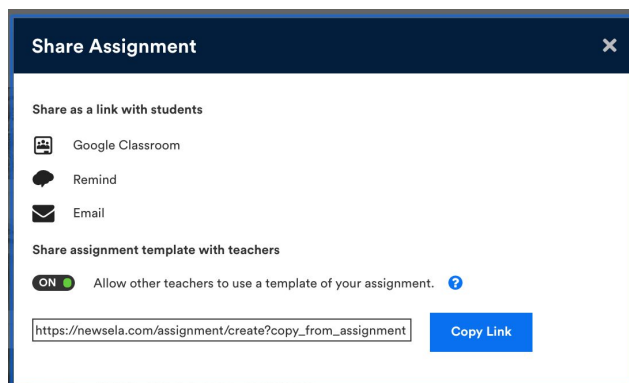

- To share an assignment with colleagues, click on the **Binder**. Click on the **Assignments** tab.

Click on the arrow next to the title.

- Click the toggle** to allow other teachers to use a template of your assignment. Their changes will not impact your assignment. Copy and send the link to colleagues to collaborate!

**Note: This is also how you can share an assignment directly to a Google Classroom.**

## Create Text Sets

Text Sets are multi-article assignments for students. Texts are optimal for building background knowledge, giving students choice, and supporting cross-curricular analysis in all content areas.

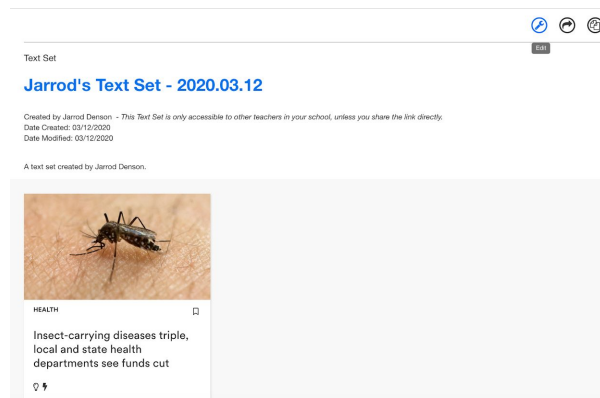

1. Find the first article you want to include in your text set. Click **Add to Text Set** and **Create a new Text Set**.

Health

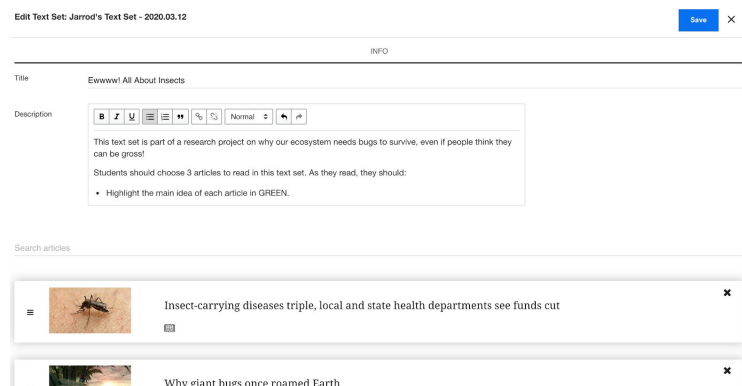

### Insect-carrying diseases triple, local and state health departments see funds cut

2. On your new screen, click the **Wrench** to **Edit** your text set.

3. Use this screen to change the title, add a teacher-facing description, and search to add new articles.

- When you are finished editing, click **Save**.
- To add additional articles to your Text Set, Search and find relevant texts. Then, click **Add to Text Set** and find the title of your Text Set.

Science & Math

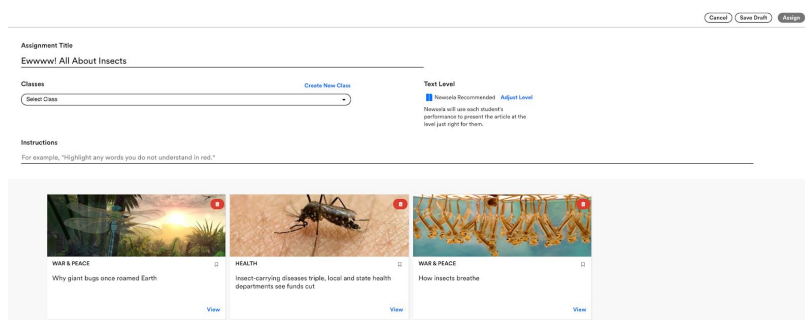

## How insects breathe

- Once you complete your Text Set, Click **Create Assignment**.

- Assign** the Text Set as you would assign an individual article.

- To find your Text Sets, hover over **Your Content** and click **Text Sets**.
- Optional:* To share your text sets, copy the link of your text set and send. Colleagues are able to **Copy** and **Edit** your Text Set. They cannot modify your Text Set

## Review Student Work on an Assignment

All student work is available in the **Binder**.

1. To see student work on an individual assignment, click on **Binder**. Then, click on **Assignments**. Click into the assignment you want to review.
2. At the top, review whole group data from the assignment.

## Using Newsela as a Student

### Reviewing and Completing Assignments

1. All Assignments your teacher(s) assigned you will show up under the **Assignments** tab. There, you can see the title of the assignment, which teacher assigned it, and for which class.

The screenshot shows two assignment cards. The first card is titled "Famous Female Trailblazers" and includes a small image of a woman. The second card is titled "Art by Women in Baltimore Museum - Due by 1/8" and includes a small image of two women sitting in a museum. Both cards list the teacher as "J. Denson" and the class as "Ms. Rickles' ELA". A blue "NEW" button is visible on the right side of each card.

2. Click on the title to see the individual assignment. On this page, you can see the teacher's instructions, when it was assigned, and the article(s) in the assignment. To read the article, click on the headline.

### Reviewing and Completing the Quiz & Write Prompt

Each Newsela article has a Quiz and a Write Prompt.

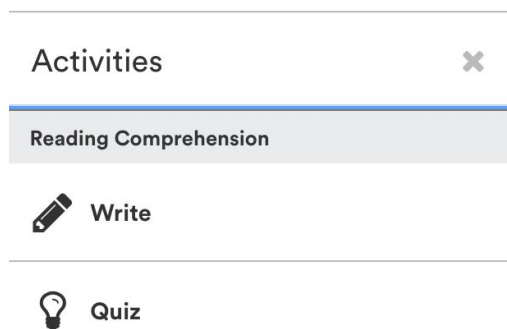

1. Click into the article you are reading. If the article was assigned by your teacher, you can click on **View Assignment** at any time to see the instructions or other articles.
2. Click on the **Activities** tab to see the Quiz and Write Prompt.

The screenshot shows the Newsela interface. At the top left is the Newsela logo. The top navigation bar includes a search icon, 'Election 2020', 'News', 'Library', 'Text Sets', 'Collections', 'Binder', and 'Brentwood Student'. A user profile dropdown shows '610L'. Below the navigation is an assignment panel for 'Art by Women in Baltimore Museum - Due by 1/8' with a 'View Assignment' button. The panel lists the teacher as 'J. Denson' and the class as 'Ms. Rickles' ELA'. Instructions state: '1. Read the article CAREFULLY. 2. Highlight unknown words in RED. 3. Take the quiz. (Write prompt is optional ...'. Below the assignment panel is the article title 'Arts' and 'This year, Baltimore Museum of Art will collect works by women only'. At the bottom of the article are 'Save', 'Share', and 'Print' icons.

3. You will see a panel with a Quiz and a Write Prompt. Click on **Quiz** to take the Quiz. Click on **Write** to read and complete the Write Prompt.

You will see your score on the Quiz once you complete all four questions. You will see a score on the Write prompt once your teacher scores it.

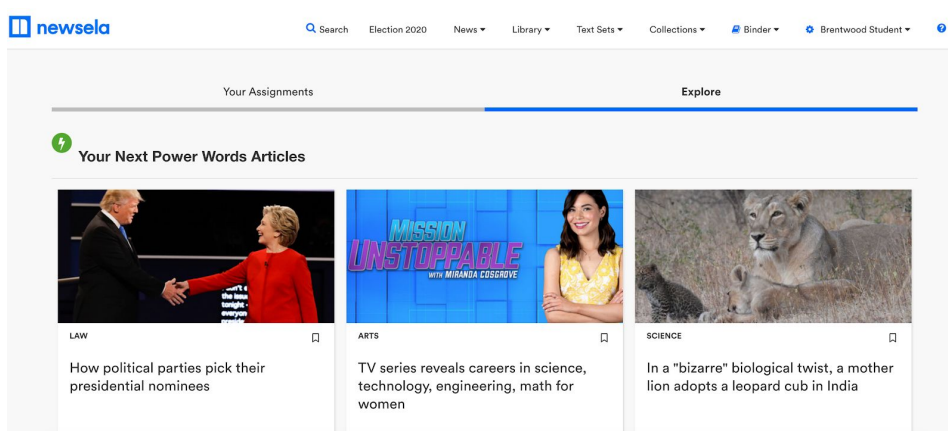

The screenshot shows the 'Activities' panel. The panel title is 'Activities' with a close button (X). Below the title is a section for 'Reading Comprehension'. Underneath, there are two options: 'Write' with a pencil icon and 'Quiz' with a lightbulb icon.

### *Independent Reading*

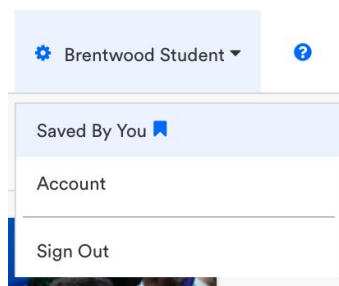

You can read independently on Newsela to find articles that are most exciting to you.

1. First, look at the **Explore** tab. Click on articles that are interesting to you.

2. Save any articles you are interested in by clicking on the bookmark.

3. All articles you save are saved under your name in **Saved by You**.

4. Use the **Search** bar to find interesting articles on a topic of your choice!

## Using the Student Mobile App

All students can access Newsela Student, our mobile app, to complete assignments and read independently.

### Overview:

Using Newsela Student (iOS/Android App) offline. **Students need only to have access to internet once** to access a variety of content and assignment resources in the Newsela Student mobile app. Each time a student opens the Newsela Student mobile app while using wifi or a wireless data plan, the following resources will be downloaded and made available for offline use:

- The first 20 articles in the feed
- Any article that a student has opened from the app in the past
- Any article for which a student has previously completed work (quiz, annotations, etc.), even if that work was completed from another device
- Assignments and all associated articles and instructions that a student previously received from a teacher
- All articles included in a set, if a student has followed or created a set in the app
- All previously saved articles
